- **Free of toxic and irritating chemicals and ingredients**

Choose Healthy!

Purpose: Sunscreen

Indication: Helps prevent sunburn If used as directed with other sun protection measures (see Directions), decreases the chance of skin cancer and early skin ageing caused by the sun. Protects delicate skin from UVA/UVB damaging sunrays causing sunburn and cell damage. Hydrates and soothes delicate skin with gentle rose and calendula extracts.

Directions:

Apply liberally 15 minutes before sun exposure. Reapply after 40 minutes of swimming or sweating, immediately after towel drying, at least every 2 hours. - Children under 6 months old: ask a doctor. - Sun Protection Measures: Spending time in the sun increases your risk of skin cancer and early skin ageing. - To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF value of 15 or higher and other sun protection measures including: limit time in the sun, especially from 10am-2pm, wear long-sleeved shirts, pants, hats, and sunglasses.

Ingredients:
