Description

La Chinata Baby Moisturizing Lotion is elaborated from our they Organic Extra Virgin Olive Oil and enriched with other natural ingredients and plant extracts like olive leaf, as well as thermal waters. All this components will help their delicate skin.

The Organic Extra Virgin Olive Oil will repair the barrier function and increase their skin's resistance. Olive Leaf Extract is an antioxidant, anti-inflammatory, anti-irritant and purifying active. Thermal waters will calm especially their sensitive skin, and white flowers and vegetables extract will produce an antiseptic effect. The result will be a healthy and velvety skin.

For a proper use, apply the product to your baby's skin when is totally dry. Gently massage the lotion until its penetrates.

The product is also included in our Baby Care Pack and its use is recommended with the other products we have for babies for better results.
