Description

Body balm with calendula and rose is handmade and in small batches, which guarantees its quality.

The balanced combination of the extremely healing herb Calendula and Rose Oil with 100% pure natural oils and beeswax works in synergy and helps to quickly regenerate the skin in superficial injuries and abrasions.

Soothes sunburn and other burns, eczema, insect bites.

It softens rough skin, prevents it from drying and cracking and makes it soft and supple.

Moisturizes and anti-inflammatory.

The balm is great for normal, dry and sensitive skin.

Although it contains pure natural oils, it does not grease the skin, penetrates deep into the cells and helps the effects of the active components.

The Calendula and Rose Body Balm is a unique product that is really worth trying no matter what skin type you have.

Apply regularly several times a day until skin condition improves. Keep cool! For outdoor use only!
