Description

Body scrub with lavender oil contains brown sugar, enriched with natural oils and extracts, all-natural, without artificial fragrances and preservatives.

Suitable for all skin types.

Exfoliates dead skin cells and makes the skin soft and smooth.

Rich in natural alpha hydroxy acids and essential oils, the exfoliator nourishes, revitalizes skin, reduces fine lines and wrinkles, and gives a youthful appearance.

The aroma of lavender oil creates a unique aromatherapy spa experience, relaxing the senses and body.

Incredibly hydrates dry skin and gives softness and shine. The magical aroma of Bulgarian rose oil grabs you and relaxes your senses.

Removes dead skin cells and rough skin, leaving a glow and velvety softness to the touch.

The ingredients of the body scrub are natural and do not cause allergic reactions and rashes.

The exfoliator makes sure your skin is well hydrated, cleansed of dead skin cells and smooth to the touch. It leaves a scent of freshness and spring fragrances.

Does not hurt or irritate even sensitive skin, does not dry it out.
