Bottled in the heart of the Valley of Roses in Bulgaria, Alteya's Certified Organic Bulgarian Rose Water is the world's most exquisite 100% pure, natural, organic flower water. The pure Alteya's Certified Organic Rose Water is Therapeutic and a Food Grade product. By using a unique distillation technique, which embodies century-old traditions and modern technology, the producer distills a special grade rose water that completely preserves the biodynamic energy of the rose plant.

Alteya Organics Bulgarian Rose Water is a 100% pure natural product. The rose water is produced via steam-distillation of fresh rose blossoms from Rosa Damascena, picked during the annual Rose Harvest in the world-famous Bulgarian Rose Valley.

Directly from the producers!

Alteya Organics Bulgarian Rose Water is pure, undiluted, food-grade product. The rose water does not contain any preservatives, additives, or synthetic ingredients. Many manufacturers label their products containing rose essence but it could be synthetic. Synthetic rose ingredients have no therapeutic value at all. Therefore, it is important to look for rose water that is fresh steam-distilled with no additives.

Benefits and properties:

- Therapeutic, cleansing, and detoxifying
- Anti-inflammatory, acne-preventing, and balancing
