### Description

**200ml - £8.25**

**Our natural Rose water is produced by the steam distillation of fresh hand picked rose blossom of Rose Damascena from most famous Valley of the Roses in Bulgaria.**

**Bulgarian Rose Water is world's most exquisite 100% pure, natural, flower water.**

**Contains a small quantity of rose oil (about 0, 05%).**

**Ingredients:** 100% Pure Natural Steam-Distilled Rose Damascena Flower Water.

**Properties:** Therapeutic, cleansing, and detoxifying. Anti-inflammatory, acne-preventing, and balancing. Anti-aging and moisturizing. Rejuvenating, stimulating, and harmonizing. Digestion-stimulating and anti-septic. Rose water can be used for conjunctivitis, food and beverage flavour enhancer.

The rose water is antibacterial and has a disinfecting effect, this is because it contains a small quantity of rose oil (about 0, 05%).

**Use: Rose water is one of the all-time best and most traditional facial cleansers and has multiple skin-care uses. The natural rose water is used to treat acne and skin irritation, skin inflammatory processes, sun and other burns, insect bites.**

Bulgarian Rose Water is applied for nourishing and hydrating facial and hair masks. Rose water is also added to bathing water and is used for moisturizing the body after bath. It balances skin pH level; rose water has anti-aging and rejuvenating effects.

Rose water is wonderful in homemade skin care products. You can add rose water in your own cosmetics at home - creams, shampoos, body lotions. It can be used by itself as a toner, used to moisten a mask, or used in place of water in lotions or cosmetics recipes. Skincare/Haircare

Cleansing, hydrating, and toning for all skin and hair types - a perfect finish for your daily cleansing and refreshing routine.

- Soak a cotton pad with rose water and smooth over the entire face and neck.
- Saturate a towel, warm up and apply to face to detoxify and clarify skin, and unclog pores.
- Spray the gentle rose mist all over your body for instant moisture and freshness. Rejuvenates dull skin and calms after prolonged sun exposure.
- Provides essential nutrients to hair and if used daily, significantly improves shine and natural lustre. Spray daily.

**Rose water is also added to bathing water and is used for moisturizing the body after bath. It balances skin pH level. Rose water has anti-aging and rejuvenating effects too.**

**Great Toner for every day use!**

**Aromatherapy use:** Rose water is used in aroma therapy due its relaxing effect. This gentle form of aromatherapy is suitable for sensitive people, pregnant women and kids. The rejuvenating fragrance uplifts the spirits and harmonizes the mind. It has toning and restoring effect and enhances romance. Use as a bathtub supplement for stress relief or spray your room, bed sheets, and clothing.

In an industrial scale is used in perfumery and cosmetics.

Rose water is used in food industry to flavour pastries. Add it to your exotic deserts, beverages and cocktails. Great for flavouring ice creams and teas.
