### Description

CC Golden Cream is formulated based on Seppic's GELTRAP technology - a unique eco-friendly gel-in-oil emulsion with a unique sensory profile that provides wellness for both your skin and the planet.

**Ingredients: Golden C, Sugar capsules, Rose water, Rose oil, Hyaluronic acid and others.**

**Golden C - the new star in the world of vitamins, contains:**

**Vitamin C (L-ascorbic acid, Ascorbic acid - AA)** has long earned an image as a well-established anti-aging antioxidant. Maintains the elasticity, strength and structure of the skin. Helps smooth fine lines. Effectively removes dark spots on the skin.

Widely used in cosmetic and dermatological products due to its photoprotective effect and its ability to scavenge free radicals. Globally effective against oxidative challenges. It also induces collagen synthesis (helps stimulate production) and inhibits skin pigmentation, reducing all signs of aging. Because of these beneficial properties, it is evergreen in the cosmetic industry.

**Gold** - Because of its amazing properties, gold is nowadays used in cosmetics. It influences the energy metabolism of cells and prevents dehydration.

**Glutathione** - this is a remarkable molecule circulating in the bloodstream. It is not only the driving force of our antioxidant defense and enzyme production, but regulates a number of metabolic and regulatory functions.

**Sugar Capsules** - Pigments in microcapsules that blend with the skin's natural color and visibly even out the complexion, creating a flawlessly smooth and radiant skin.

**Rose Water** - Cleanses, tones and gives a youthful appearance to all skin types, preserving the natural hydro-balance in the epidermis. It is successfully used to even the complexion in sunburns and other burns, insect bites, itching on the skin.

**Rose oil** - Rose oil produced in Bulgaria is one of the highest quality essential oils in the world. The main action of the oil is rejuvenating, as it triggers the healing processes in the skin.

**Hyaluronic acid** is a type of molecule naturally found in the skin that draws water from the environment. This way it can help your skin stay moisturized, hydrated and soft throughout the day.

**Vitamin E** - Preserves moisture and elasticity of the skin.

**SPF 50+ - high sun protection.** The sun protection factor is achieved with broad-spectrum, photostable sunscreen components with action on UVA and UVB radiation.

**INGREDIENTS:** ROSA DAMASCENA FLOWER WATER, GLYCERIN, BIS-ETHYLHEXYLOXYPHENOL METHOXYPHENYL TRIAZINE, POLYMETHYL METHACRYLATE, COCO-CAPRYLATE/- CAPRATE, OCTOCRYLENE, MANNFOL, CI 77491, CI 77492, CI 77499, HYDROGENATED LECITHIN, TITANIUM DIOXIDE, ALUMINIUM HYDROXIDE, POLYMETHYL METHACRYLATE, OCTYLDODECANOL, OCTYLDODECYL XYLOSIDE, PEG-30 DIPOLYHYDROXYSTEARATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, SODIUM HYALURONATE, HYDROXYETHYL ACRYLATE SODIUM ACRYLOYLDIMETHYL TAURATE COPOLYMER, TOCOPHERYL ACETATE, PHENETHYL ALCOHOL, CAPRYLYL GLYCOL, AQUA, SORBITOL, XANTHAN GUM, ASCORBIC ACID, GOLD, GLUTATHIONE, CITRIC ACID, CITRONELLOL, FARNESOL, GERANIOL.

**Attention:**

Keep away from children! Sensitivity test before use! In the presence of rash or redness - do not use the product! Do not use if allergic to any of the ingredients! Don't expose yourself too long in the sun even when using sunscreen! Excessive sun exposure poses a serious health threat! Sunscreen does not provide 100% protection!

Store at a temperature of 5 to 25 degrees in a fully closed container away from direct sunlight.
