Description

Gift Set "A Rose from Bulgaria"

"A Rose from Bulgaria" Cosmetic series is enriched with Natural Rose water that is obtained through steam distillation of the petals of Bulgarian rose.

Suitable for all skin types.

Rose water supports pH balance of the skin, stimulates regeneration processes, has soothing effect on acne and sunburned skin, moisturizes dry skin and makes it smooth and elastic.

It is widely used as an anti-inflammatory ingredient in skin care products for different skin types, especially aging, dry and sensitive skin.

Great Facial toner both for dry and oily, but especially for sensitive skin.
