Description

We're introduces our **New Gift Set "Melon and Apricot"** which includes Melon and Apricot Hand Cream-butter 75 ml, Peeling Soap - Sponge "Melon and Apricot" 75 g in a luxury gift bag.

"Melon and Apricot"

Effect of cosmetic series "Melon and Apricot" active ingredients:

Cocoa butter has softening, moisturizing and nourishing properties. It gives the soap and the soap foam a velvety texture.

Olive oil extract which have antioxidant action against free radicals.

Yogurt concentrate has an excellent hydrating, softening and smoothing effect on dry and problematic skin due to its high content of lipids, proteins, minerals and vitamins. The skin becomes smooth and elastic, moisturized in depth, thus regaining its satin softness.

Provitamin B5 hydrate skin and protect it against inflammations.

"Melon and Apricot" Pe eling soap-sponge

Attractive scent of sweet, ripe melon and juicy apricot, which is slowly released whenever you use this soap. It is savoury fruit nectar for your

skin. Make your bath a tropical paradise.

Suitable for all skin type.

"Melon and Apricot" Hand cream-butte r Melon & Apricot

For every-day care in case of dry and very dry hands skin, with savory melon and apricot fragrance. A rich formula with natural vegetable oils and butters that smooth, nourish and soften the skin. The yogurt concentrate stimulates the natural skin hydration and protects the skin against moisture-waste.
