Description

This beautiful small Lavender New gift set come with Lavender sachet, 20 g and Pure Natural Bulgarian Lavender oil (*Lavandula angustifolia*), 1 ml.

You will fell in love with our small pretty Lavender set!

They deliver a long lasting lavender aroma. Every home should have Lavender as it is very versatile, inexpensive and useful. It relaxes, soothes and restores balance to mind and body.

Lavender is one of the most widely used due to its calming and shooting properties, which helps to promote rest and relaxation; it has wonderful qualities and also smells great.

It stimulates the immune system and contributes to the healing process.

The Lavender flowers and leaves are used as an herbal tea. The flowers are also used as a culinary herb, most often as part of the French herb blend called herbs de Provence.

Gift Set

Both the petals and the oil are the most popular ingredients in handmade soap.

Dried lavender flowers and lavender essential oil are also used as prevention against clothing moths, which do not like their scent. Lavender will help protect clothes, sheets and towels.

Ingredients: dried lavender flowers (*Lavandula Angustifolia*), 20 g and Pure Natural Bulgarian Lavender oil (*Lavandula Angustifolia*), 1 ml.

Usage: inhalation, baths, hand made soaps, tea and favouring premises. Bath - stress, reduce nervous tension and mental fatigue, insomnia, arthritis, muscle pain.

Action: relaxing and tonic.
