Description

It's containing glycerine, a very important ingredient. The Glycerine is obtained through the fats saponification process itself. It has not only functional importance as an ingredient but also provides a pleasant softening and moisturizing effect on the skin. Handmade – a unique product that goes out of range of the hygienic means and represents an aesthetic cosmetic product.

All-natural ingredients – vegetable oils, extracts, herbs, spices, parts of plants, essential oils.

The soap cleans and softens the skin.

For all skin types.
