ORGANIC BULGARIAN ROSE WATER, 250 ml

Our rose water is cleansing, hydrating, and toning for all skin and hair types - a perfect finish for your daily cleansing and refreshing routine. The Pure Organic Bulgarian Rose Water is Therapeutic and Food Grade product. By using a unique distillation technique, which embodies century-old traditions and modern technology, the producer distil a special grade rose water that completely preserves the biodynamic energy of the rose plant.

Our Bulgarian Rose Water is pure, undiluted, food-grade product. The rose water does not contain any preservatives, additives, or synthetic ingredients.

Rose Water Uses

Rose water is one of the all-time best and most traditional facial cleansers and has multiple skin-care uses. The natural rose water is used to treat acne and skin irritation, sun and other burns. Bulgarian Rose Water is applied for nourishing and hydrating facial and hair masks. Rose water is also added to bathing water and is used for moisturizing the body after bath. It balances skin pH level; rose water has anti-aging and rejuvenating effects.

Great Toner for every day use!

Power of Rose Water

Bulgarian Rose Water is known to help emotional strength. Rose water benefits emotional processing, balance and improves ability to love. Natural rose water has a unique scent that empowers the mind and assists in decision making and completion of projects. The rose water also offers a soothing property to the nerves and emotional /psychological state of mind. The rose water is regarded as a mild sedative and anti-depressant. The rose water is increasingly used in treatments for conditions of stress: nervous tension, peptic ulcers, heart disease, and others.
