- Cleansing, energising and toning
- Natural analgesic and calming
- 100% Natural, 99% Certified Organic, 100% Vegan, Paraben-free, GMO-free

Product Description

We at Aromatherapy Today are proud to present one of world's most fragrant and precious plants, the Bulgarian Lavender. Bottled in the heart of the Thracian Kings Valley near Kazanlak in Bulgaria, famous for the highest quality oil-yielding plants grown there, Alteya's USDA Certified Bulgarian Lavender Water is 100% pure and natural. Using century-old traditions, it is steam-distilled specifically for therapeutic use from fresh organic Lavender blossoms, hand-picked in our lavender plantations.

The beautiful fragrance, special qualities and spiritual power of our lavender water are well known all over the world.

Benefits:

- Therapeutic, cleansing, and detoxifying
- Anti-inflammatory and acne-preventing
- Anti-ageing and moisturising
- Calming, relaxing, and harmonizing
- Natural analgesic and antidepressant
- Food and beverage flavour enhancer

Usage: Skincare, Hair care, Aromatherapy, Cooking, Household, Pet-care, Steam Ironing.

Our Bulgarian Lavender Water is pure, undiluted, food-grade product. The lavender water does not contain any preservatives, additives, or synthetic ingredients. Many manufacturers label their products containing lavender essence but it could be synthetic. Synthetic lavender ingredients have no therapeutic value at all. Therefore, it is important to look for lavender water that contains only pure genuine natural lavender oil such as ours.

Our lavender water is a 100% pure and natural product.
