Description

Replenishing Organic Lip Balm
97.5% Certified Organic

USDA Certified Organic by Ceres GmbH

Organic Lip Balm for sweet kissable lips - Nourishes and Replenishes

Based on Organic Bulgarian Rose Oil - With Organic Essential Oils and Botanical Butters

Enhances lip fullness and promotes more youthful appearance

100% Natural 97.5% Certified Organic

The Organic Rose Replenishing Lip Balm intensely hydrates and provides reliable protection for sensitive lips from the harsh environment. It deeply nourishes and replenishes delicate skin to reveal soft, beautiful, more youthful-looking lips. This special organic formula locks in moisture and increases lip elasticity and suppleness.

It reduces wrinkles and makes lips naturally glowing. Continuous use provides age fighting and repair benefits, making lips fuller and more defined. The sweet-smelling Rose Oil (also known as Rose Otto) instantly smoothes lips, while adding softness and restoring their texture. Organic Rose Lip Balm is a natural remedy, rich in vitamins, nutrients and fatty acids that will swipe away dullness and dryness to reveal luscious, kissable lips.

Directions

Apply as often as needed to quench and replenish your lips. For optimal anti-aging results, apply regularly as a night treatment

Active Ingredients:

Rosa Damascena /Organic Rose Oil-Rose Otto/: Refreshes, nourishes and soothes the skin. Fights free radicals, stimulates collagen production and helps slow down the aging process. Has a toning and astringent effect on the capillaries just below the skin surface. Makes skin glowing and charming.

Prunus dulcis /Organic Sweet Almond Oil/: Slows down the loss of moisture from the outer most layer of the skin. Extremely rich in skin nourishing components.

Macadamia integrifolia /Organic Macadamia Nut Oil/: Emollient oil rich in fatty acids (palmitoleic acid). Nourishes and soothes dry, irritated chapped lips, and provides some sunscreen protection.

Triticum vulgare /Organic Wheat Germ Oil/: Carrier oil rich in vitamins and fatty acids which are good for dry, dehydrated skin. Contains squalane that speeds up the process of cell growth and has astonishing healing properties. Rich in vitamins A, E & D.

Organic Beeswax: Has emollient, soothing and softening properties and helps skin retain moisture. Has antiseptic, healing and mitigating effect and its anti-bacterial properties protect the skin from infections.

Rosmarinus officinalis /Organic Rosemary extract/: Deeply moisturizes and revitalizes the skin. Has anti-irritation and repairing properties that tone and firm the skin and improves blood circulation.

Vitamin E: Fights the free radicals and slows down the oxidation process that leads to skin aging. In combination with Vitamin A, it is highly effective in skin regeneration and cell renewal. Decreases the harmful effects of solar radiation on skin.
