Description

Rich in natural plant butters, suitable for daily nourishment of your skin with the delicate scent of wild cherry blossom. It melts on your skin, smoothening and nourishing in depth. The yoghurt concentrate restores the water-salt balance of the skin leaving it durably moisturized.

The body cream butter is enriched with cocoa butter, shea butter (Karite) and yoghurt concentrate. It moisturizes, softens and smoothenes dry and irritated skin due to the high contents of lipids, proteins, minerals and vitamins.
